Greg,

You may or may not know but effective yesterday, 11/21, and due to significant downsizing at FCA and Lifetime Fitness my position was eliminated.

I just wanted to take this opportunity to express my sincere thanks and appreciation to you and your staff for the work done at the Beachwood, OH, Lenexa, KS, Westminster, CO, Colorado Springs, CO and Summerlin, NV projects. I also appreciated working with you personally and found that you were always informed, cooperative and professional.

I am presently at my home in Ohio and preparing to seek new employment and new challenges. I am hoping to continue my career in Precast or related areas. Please don't hesitate to contact me for any reason at:
