Letter of Appreciation

Dear Greg:

Although it has been awhile since the MCOA Parking Garage was completed, I want to take this moment to express my appreciation to you and your team at Gibbons Erectors.

The MCOA Parking Garage was a successful project that was completed on time, under and with high quality. Gibbons Erectors was a major contributor to this success. It was a pleasure to work with you and your company and I look forward to hopefully working with you once again.

Sincerely,

J E DUNN CONSTRUCTION
